

AL-KO OFF-ROAD COUPLING

Your off road towing problems are now a thing of the past thanks to the new AL-KO Off Road Coupling.

The AL-KO Off-Road Coupling is available in three versions – 2 & 3.5 Tonne Fixed Coupling and a 2 Tonne Override Coupling.

All feature 360degree head articulation and a patented positive towball latching system that's easy to fit and requires no difficult pin or hole alignment.

The AL-KO Off Road Coupling is fully complaint with ADR and Australian standard and allows the serious camper and caravanner to go to places that until now have been unreachable.
